Tianjin United Tire & Rubber International Co., Ltd (TUTRIC)

TUTRIC was founded in 1985 as a joint venture with the Canadian tyre producer United

TUTRIC specializes in the development, manufacturing, and marketing of tyresfor Agriculture, Forestry, Construction, Earthmoving, Industrial, Sand-service and OEM applications. The company is one of the leading producers of special tyres with 35 years of experience.

TUTRIC ranks among the top in China on exporting special tyres to both Europe and North America, besides more than 70 countries worldwide.

TUTRIC offers modern working environment for employees, a high expenditureon R&D and sustainable production using only diligently sourced material for quality and eco-friendly tyres.

TUTRIC especially focuses on energy saving and sustainable production processes.

TUTRIC satisfies ECE regulations, REACH requirements and is the member of TRA. Our company obtained OHSMS certificate (ISO45001:2018) as well as QMS certificate (ISO 9001:2015) in 2018.

TUTRIC has an extensive tyre product range in 414 size, 212 patterns and 1937 varieties from 16 to 63 inches.

TUTRIC is the first Chinese company to invest early in the development of forestry,flotation, industrial and tractor radial tyres. Besides, we developed and produced 33.00-51 diagonal tyre ahead of all other Chinese brands.
